### **OREGON HOT TUB PLEDGES SUPPORT TO SAVE REDMOND'S FIREWORKS SHOW**

Oregon Hot Tub recently pledged \$3,000 to help save Redmond's Annual 4<sup>th</sup> of July fireworks display at the Deschutes County Fair and Expo. With Oregon Hot Tub's generous donation, just a little more than three quarters of the \$7,000 needed to put on the show, has been raised by the community. An additional \$2,500 still needs to be raised by June 4, 2010 to cover the cost of the show.

Sue Rogers, President of Oregon Hot Tub, stated, "Fourth of July is a day for families and neighborhoods to come together. I have many fond childhood memories of this special day, and firework celebrations are a part of the American fabric. I can't imagine any community having to go without one." Oregon Hot Tub is Oregon's largest and most established hot tub company and has been in business since 1979—in Bend, OR since 1994—and is committed to its customers and the communities it serves. "We are thrilled with Oregon Hot Tub's support to save our Fourth of July fireworks and are confident the Redmond community is equally as grateful.", comments Eric Sande, Executive Director of the Redmond Chamber of Commerce & CVB.

Donations for the remaining \$2,500 needed for Redmond's annual Fourth of July fireworks show are being accepted at the Redmond Chamber of Commerce & CVB and the City of Redmond. Donations may be made in the form of check, cash or VISA.
